BISHOP GALLOWAY PASSES AWAY

End Came Yesterday at His Home in Jackson, Mississippi.

PNEUMONIA CAUSED DEATH

He Was Considered One of the Ablest Preachers and Most Distinguished Churchmen in the Country

The announcement of the death of Bishop Charles B. Galloway, of the M. E. Church South, which occurred at his home in Jackson, Miss., yesterday morning at five o'clock, of pneumonia, will be received with widespread sorrow, not only by Methodists, but by all Christian professing people. In all classes, for his reputation was world-wide. In fact, he was recognized as one of the ablest preachers and one of the most distinguished churchmen in the United States. Those who have heard him preach carry with them as a distinct memory the great ability of his exegesis, the charm of his eloquence and the power of his argument. He was a great and good man, whose demise will be regretted throughout the land.

In Goldsboro, where he has relatives resident, and where he has on several occasions been his guest and preached, both in St. Paul and St. John M. E. churches, his death will be especially mourned, for our people had formed a strong attachment for him, and always flocked to hear him.

Bishop Galloway had been in ill health for some time, suffering, it has been stated, with Bright's disease, but with the return of spring he seemed to improve, and his friends hoped he would be able to preside over the conference to which he had been assigned for this term. Recently, however, he has shown considerable feebleness, and some days ago developed pneumonia, from which he died.

The bishop was taken ill last Friday, en route from Nashville, where he had attended the annual session of the College of Bishops. No alarm over his condition was felt until Monday night, when pneumonia developed in one lung. The patient grew worse rapidly. During the final twelve hours he was unconscious.

The funeral will take place this (Thursday) afternoon from the First Methodist Church, followed by interment at Greenwood Cemetery, Jackson.

Bishop Warren A. Canler, of Georgia, will conduct the services. Orders have been issued for all departments of the Federal, state, county and municipal government to remain closed all today and Mayor Crowder has issued a proclamation urging all the business houses to close for the day.

Bishop Galloway was possibly the most prominent of the bishops of the Methodist Episcopal Church South. He was born at Kosciusko, Miss., September 1, 1840, and graduated in 1868 from the University of Mississippi. The degree of doctor of laws was later conferred upon him by the Northwestern University and Tulane University. He entered the ministry in 1868.

Bishop Galloway's writings covered a wide range perhaps than those of any other person connected with the Methodist Episcopal Church South, and he traveled extensively. For a number of years he took an active interest in the prohibition campaigns in Mississippi and other Southern states. He was president of the board of education of the Methodist Episcopal Church South, president of the board of trustees of Millsap's College and Vanderbilt University, and was a member of the board of trustees of the John F. Slater fund.

NAMES FOR JURY BOX WILL BE FILED IN JUNE

Tax lists will meet with county commissioners for this purpose.

The tax lists of the county will meet with the board of county commissioners in June, likely at an adjourned meeting, to secure names for the jury box for the ensuing two years. This work will require an entire day's session.

RACING THIS SEASON ON A LIMITED SCALE

Anti-Betting Law Has Greatly Affected This Sport—Dates of the Turf Events.

New York, May 13.—Under conditions even less promising than those of year ago, the metropolitan racing season begins at Belmont Park today with the opening of the annual meeting of the Westchester Racing Association. If the plans of the Jockey Club are carried out the season will extend over 94 days, closing at Saratoga the last of August.

The five meetings and the dates allotted them for the season are as follows: Belmont Park, May 13 to June 2; Gravesend, June 3 to 23; Sheepshead Bay, June 24 to July 13; Yonkers, July 14 to July 31; Saratoga, August 2 to August 28.

Though the season extends over ninety-four days, there probably will not be racing during more than half that period. The Belmont Park meeting opening today, for instance, has dates covering eighteen days, but only ten of these will be utilized unless the public shows by its attendance that it wants extra days, in which case they will be given.

The meeting opens with the Metro-Handicap, one of the foremost classics of the American turf. But instead of being a race with \$10,000 added as heretofore, the added value of the Metropolitan this year is but \$3,000. The \$30,000 Belmont, the oldest stake in America; the Withers, with \$10,000 added; the Ladies, with \$5,000 added, and the National Stallion, with \$8,000 added, are to be run without any reduction in value.

Campaign Against Tuberculosis.

Washington, D. C., May 13.—Much interest and importance attaches to the fifth annual meeting of the National Association for the Study and Prevention of Tuberculosis, which assembled at the New Willard Hotel today for a three days' session. Nearly all parts of the country are represented in the attendance, which embraces many prominent medical men, educators, sociologists and others.

Reports showing gratifying progress during the past twelve months will be presented to the convention. Since the last annual meeting a large amount of work has been accomplished by the organization. One of the events of the year which was planned and carried out by the association was the successful meeting of the international anti-tuberculosis congress in this city.

Another feature of the year's work of the association has been its traveling exhibits. Three of these exhibits are now conducted by the association, and during the past year the state legislatures of Kansas, Tennessee and Nebraska have passed laws and made appropriations to carry on the campaign against consumption.

LOCAL BRIEFS.

Items of Interest in and Around the City.

—Mr. J. R. Darden, of The Argus Job department, had new Irish potatoes from his garden Tuesday for dinner.

—The grandstand tickets for the opening game between Goldsboro and Rocky Mount, May 17, will be on sale at the Imperial Pharmacy Friday, May 14.

—A runaway on John street Wednesday evening created some excitement. Mr. Offie Best managed to secure the horse after going several squares at a 2:40 gait. The wagon was slightly damaged.

—Another rise is expected in Neuse river incident to Monday's heavy rain, as it seems to be have been general as far as Asheville, where great destruction was wrought Monday morning by a cloudburst.

—The next thing in order is the city bond election for street improvements. Get ready to cast your vote for progress and for Greater Goldsboro and wider and more varied opportunities for the passing generation here at home.

—The many friends of Mr. and Mrs. Frank B. Edmundson in this city will be pained to learn that Mrs. Edmundson, who is an operative patient in Rex Hospital in Raleigh, is not so well today. Mr. Edmundson went out to be with her, and we all wish for her a safe and early recovery.

—Messrs. Dickinson, Dortch, Davis, Parker and Don C. Humphrey, of the Goldsboro bar, together with quite a number of representative citizens went up to Raleigh Tuesday afternoon to present the name of Hon. W. R. Allen to Governor Kitchin as successor to Justice Connor upon the Supreme Court bench.

—Mrs. H. B. Parker, Jr., gave a delightful "At Home" to her friends yesterday afternoon, complimentary to her school friend of other days and visitor, Mrs. Coleman, of Macon, N. C. The house was tastefully decorated, and the large number of guests, in addition to the conversational enjoyment of the occasion, were regaled with a novel, original and entertaining game of authors, that permitted wide latitude for the exercise of genius and afforded some real scintillations, after which delicious refreshments were served.

—The ladies of the Presbyterian church of this city have assumed the task of building a Sunday School annex to their church, and are devising ways and means for accomplishing this desired and desirable end. For the benefit of this annex fund they will serve a barbecue dinner on the Court House square at 1:30 o'clock next Saturday afternoon for 50 cents, including the service of all side dishes and delicacies, and the public is asked to remember and are cordially invited to patronize it. Saturday afternoon of this week, May 15, at 1:30 o'clock.

—The official call for the bond election for street betterments appears in this issue, and it will be seen, as published in yesterday's Argus, that the voter has before him exactly what is to be done with the money. The sidewalks are specified that are to receive bitulithic walks and the streets that are to be paved are named. That all those streets mentioned are in sad need of improvement is common knowledge; that the city when thus paved will be creditable and property enhanced and new life instilled and progress inaugurated will be assuredly realized. Let us all vote for the bonds and thus build Greater Goldsboro.

RICH RED BLOOD.

Means Rosy Cheeks, Clear Complexion, Bright Eyes and Plenty of Energy.

What does rich, red blood mean? It means brains, vitality, ambition, hopefulness, persistency, and everything worth living for.

But you can't have rich, red blood, if your digestion is imperfect; and your digestion is certainly imperfect if you have sour stomach, bad taste in mouth, lump of lead after eating, belching of gas and nervous unrest. So far-reaching is the effect of indigestion that many times the eyesight is affected.

If you have indigestion or any symptoms of stomach distress or agony, J. H. Hill & Son will sell you a mighty remedy for 50 cents, and guarantee it to cure or money back.

The remedy is called Mi-o-na. Its powerful, reconstructive action on the stomach is little short of marvelous. It tones up, strengthens and puts new life and energy into the worn out stomach in a few days. It cures by removing the cause. If you are a sufferer, try a large 50 cent box. It's a small price to pay for banishing indigestion.

Mi-o-na is sold by J. H. Hill & Son in Goldsboro for 50 cents a box.

HYOMEI

(Pronounced Hym-o-mey)

GRAND LODGE TO MEET IN THIS CITY

Our City Gets Honor of Next Grand Lodge of Odd Fellows.

THE ELECTION OF OFFICERS

Special Degree Work Done in Lodge and Assembly of Rebekahs —Contest For Office of Warden.

Charlotte, N. C., May 13.—Though not marked by publicity, yesterday with the Odd Fellows was marked by two events of interest—the decision, which had already been forecasted and generally agreed upon, that the next meeting of the Grand Lodge of North Carolina shall be held in Goldsboro; and the election of officers of that organization. The latter resulted in the following selections:

Grand Master—Mr. P. H. Williams (till yesterday Deputy grand master), of Elizabeth City.
Deputy Grand Master—Mr. Frank D. Hackett, of Wilkesboro.
Grand Warden—Mr. W. H. Overton, of Durham.

Trustee for the Orphans' Home—Mr. C. L. London, re-elected to succeed himself for five years.
Representative to the Sovereign Grand Lodge for two years, meeting in September in Seattle, Wash.—Retiring Grand Master H. M. Shaw, of Oxford.

The only real contest of the day was that between three candidates for the honor of being elected grand warden. Besides the successful one of the two others were Messrs. J. T. King, of Wilmington, and H. D. Duckworth, of Charlotte. All three had numerous ardent supporters and the contest was spirited. Mr. Overton was elected over the other two, receiving a majority of five. His vote was 122, Mr. King's 87 and Mr. Duckworth's 40.

The elections occurred yesterday afternoon in the Masonic Hall in the Belmont Building, where all the morning and afternoon meetings were held. Routine Grand Lodge business was transacted at these. There was no other proposition than that of going to Goldsboro entertained. A cordial invitation came from that place, which is the location of the Odd Fellow Orphans' Home and also that for the aged and infirm of the order.

Two chief events were open only to those specially privileged. In the Auditorium in the afternoon at 4:30 the Magdalene Rebekah Lodge, of High Point, conferred the Rebekah degree on a class of some thirty Grand Lodge men, who availed themselves of the opportunity. Last night at the same place at 8:30 o'clock the Blue Ridge Lodge, No. 105, of Asheville, acting as a degree team, exemplified the degree of friendship, the candidate being Rev. J. A. Smith, pastor of East Avenue Tabernacle.

This morning and this afternoon Grand Lodge meetings were held in the Masonic Temple. Tonight at eight o'clock Catawba River Encampment, No. 21, will confer the three encampment degrees in the hall of Charlotte Lodge, No. 88.

Miss Clara Mae Lee United in Mar- riage to Mr. Emmett Herring Wednesday Evening.

In the beautifully decorated parlor at the handsome and palatial home of Mr. and Mrs. Lovett Lee Wednesday afternoon at five o'clock, their attractive daughter, Miss Clara Mae Lee, was united in marriage to Mr. Emmett Herring, a prominent young business man of Faison. The ceremony was performed by Rev. Peter McIntyre, of the Presbyterian Church, in his usually impressive style.

The wedding march was rendered by Miss Frank English, and the bride was attended by Miss Annie Royall as maid of honor, and the groom by Mr. William Thompson as best man. The happy event was witnessed by relatives and a few invited friends.

Immediately after the ceremony the bride and groom, accompanied by a few of the guests, left for Faison, where a delightful reception was given in their honor last night at the home of Mr. and Mrs. C. E. Weatherly.

The bride is deservedly popular with a host of friends here, who regret to lose her from our midst. Mr. and Mrs. Herring will make their home in Faison.—Mount Olive Tribune.
